

Pricing Surcharge

Our steel supplier has informed us that an additional steel surcharge is in effect immediately; this will result in an adjustment to our existing surcharge of 7%.

Effective **October 20, 2004**, there will be the following surcharges in effect:

Aurora Shelving will have an additional 8% surcharge for a total surcharge of 15%.
Aurora Mobile will have an additional 3% surcharge for a total surcharge of 10%.
Times-2 will remain at the current 7% surcharge.

All orders entered prior to October 20, 2004, must ship by December 23, 2004, after which the plant is closed for the seasonal holiday. Purchase Orders received on or after October 20, 2004, must reflect the new surcharges as a line item on the net price of the order. All order acknowledgement copies will include this increase.

Quik-Quote will be modified to incorporate the new surcharges. Since these surcharges are pass through costs, we highly recommend that dealers do not place an additional markup on the surcharges in order to stay competitive in the marketplace.

All outstanding quotes will be honored at current pricing and discounts until October 19, 2004.

I regret that we have to take this action. I would like to thank all of our customers for their understanding and continued support.

PRICES

All prices printed herein supersede all previous prices and are subject to change without notice. These prices are F.O.B. shipping point, Aurora, Illinois, exclude freight and are subject to a surcharge for color, packaging, state sales or consumer taxes as required. One order constitutes one color with only one delivery.

COLOR

Richards-Wilcox offers 26 standard colors. Additional colors are available for a surcharge. Contact Richards-Wilcox for more details. Metallic colors have an additional charge of \$50 per unit.

TERMS OF PAYMENT

Net 30 days from date of invoice. We accept Visa and Master Card.

ORDER CHANGES

Any changes to orders that are entered into production are subject to a 20% change order fee. If a purchaser requests a postponement of a delivery date beyond the scheduled shipping date, and the order is in production, the purchaser will be subject to handling and storage fees. Purchaser will also be invoiced from the original ship date.

CANCELLATION CHARGES

Where purchaser cancels an order and said order is in production at the time of cancellation, purchaser shall be subject to a charge of 20% of the net amount of the order, as well as a charge for all special purchase items. Refer to Special Items. Purchaser shall bear the responsibility of compensating Richards-Wilcox for production time and material up to the time of cancellation. Richards-Wilcox reserves the right to determine what products are special. Further, special color orders may reflect additional cancellation charges due to restraints and conditions in accordance with the paint supplier.

WEIGHTS

Shipping weights are only approximate. Add 17% of total uncrated product weight for shipping weight.

SPECIFICATIONS

Subject to change without notice.

DISCONTINUED ITEMS

We reserve the right, without notice, to discontinue the manufacture and sale of any items printed herein.

FREIGHT POLICY

Richards-Wilcox offers multiple freight options. Times-2 products ship as Class 70. Times-2 is shipped F.O.B., Aurora, IL 60506. Freight billing options include:

- Third Party, F.O.B. origin
- Collect, F.O.B. origin
- UPS shipments will be shipped as Prepay and Add
- P.R.I.M.E. Program (Positive Rate Information and Management Equalizer is a very competitive freight program that allows Richards-Wilcox to pass full freight discounts directly to all Authorized Times-2 Dealers. Contact Richards-Wilcox for more details.)

DAMAGE IN TRANSIT

All packaging is in accordance with carrier requirements. For your protection, before accepting any shipment, examine it carefully. If there is evidence of damage or a shortage, insist that the delivering carrier make suitable notation to that effect on the freight bill before you sign it.

If, after receipt of shipment, concealed damage is discovered, immediately notify the delivery carrier, requesting immediate inspection. The inspection report should be used to support your claim against the carrier. NOTE: Most carriers require notification of concealed damage within 2 days of delivery.

Any claim for damage or shortage must be filed by you with the delivering carrier. Richards-Wilcox will not accept the return of merchandise damaged in transit. Your recourse is with the delivering carrier. Freight claim filing is the responsibility of the consignee and not Richards-Wilcox.

Caution: When you give the delivering carrier a clear receipt for a shipment in which there is damaged merchandise or a shortage, the carrier is relieved of further responsibility.

RETURN GOODS POLICY

Requests for Return Goods Authorizations must be made within 30 days of material's shipment from Richards-Wilcox. Richards-Wilcox will solely determine the eligibility to return any material. Total net value of returned material must exceed \$100.00. Special items are not eligible to be returned for credit. Any material returned to Richards-Wilcox must be accompanied by a written Return Goods Authorization. Any material returned without prior authorization will be refused. Returned goods must be shipped freight prepaid at the dealer's expense within 30 days of issue of the Return Goods Authorization. Material returned must be received in original packaging. Credit will be given on material only as determined by factory upon receipt and inspection. Credit for all authorized returns are subject to a 25% re-stocking charge on the net acceptable material value.

SPECIAL ITEMS

Specially designed or purchased items are not subject to return or credit, nor may said products be changed or canceled once in production.

SPECIAL PACKAGING

Where special requests are made for packaging that differs from the standard pack containment, Purchaser bears full responsibility for the cost of such packaging as well as the condition of the product. Richards-Wilcox shall in no way be held responsible for improper packaging or damage in transit.

At times it may be necessary to consider special crating. Consult the factory for crating charges.

INSTALLATION INSTRUCTIONS

Each file is shipped "KD," that is, unassembled. An illustrated installation manual is included with each starter unit, and assembly is required at the job site.

TIMES-2 SPEED FILES LIMITED WARRANTY

1-800-277-1699
www.timestwo.com

Richards-Wilcox, Inc., in its sole discretion, warrants that all mechanical and structural parts are free of material and defective workmanship. If, during the lifetime of a unit (a unit being defined as the "empty unit" product depicted below), as it is in the possession of the original owner, any part is proven defective in either material or workmanship, it will be replaced without charge, freight paid. For the balance of the equipment as listed in this price guide, a warranty period of seven (7) years applies, subject to the same provisions and conditions listed above.

This warranty shall not be in force and effect unless: Purchaser gives Richards-Wilcox immediate written notice of defective part or parts; Purchaser affords Richards-Wilcox the opportunity to inspect defective part or parts; material is still property of original owner, operating under normal usage and is properly maintained.

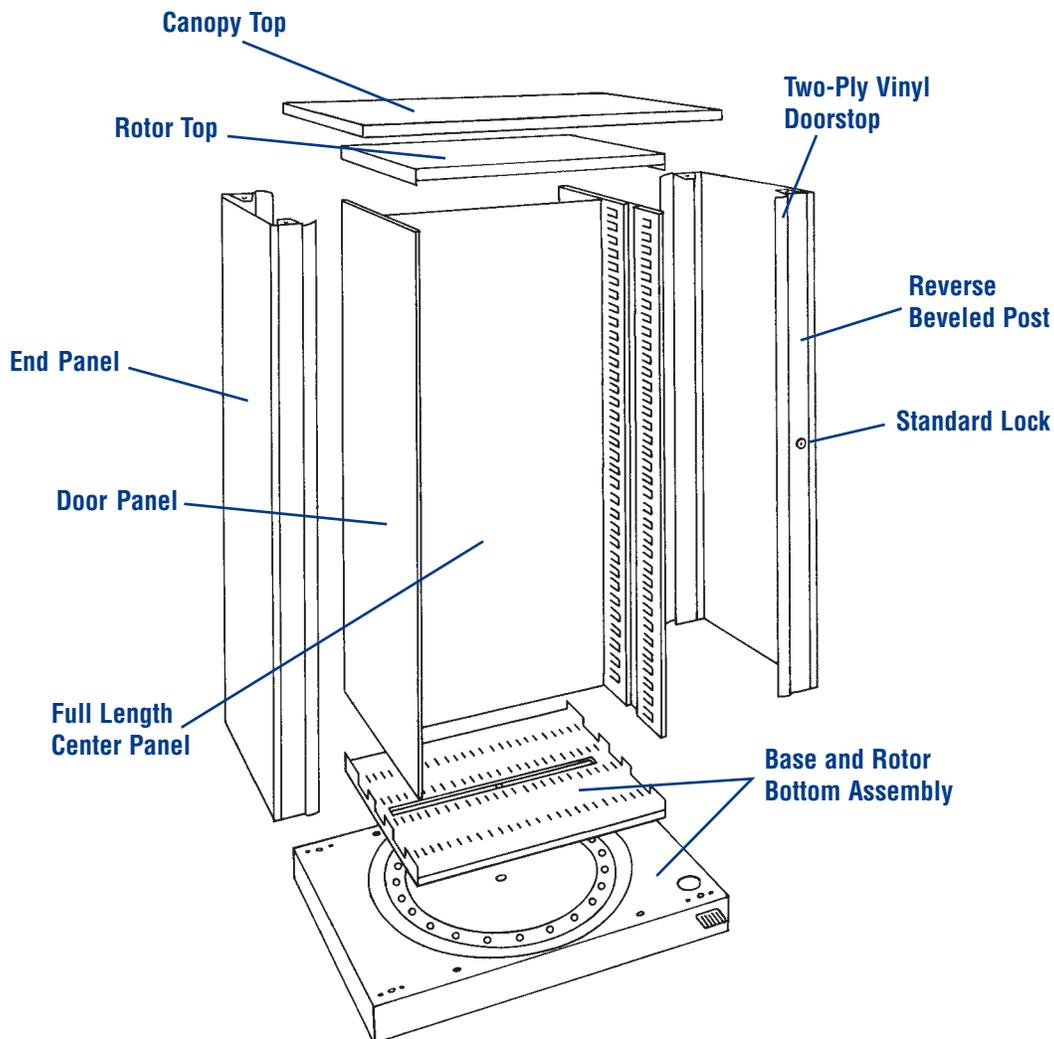

Richards-Wilcox's liability under this warranty shall be limited to furnishing part or parts as necessary. Any expense relative to

installation shall not be borne by Richards-Wilcox. Equipment damaged as a result of exposure to corrosive or abrasive substances shall not be replaced under this warranty.

The above warranties do not cover parts which upon inspection are determined by Richards-Wilcox to have been subjected to misuse, neglect, alterations, accident, abuse, damage by fire, flood, or other similar casualty. In no event shall Richards-Wilcox be liable for indirect or consequential damages of any nature.

This writing is intended by Richards-Wilcox to be a final expression of warranties. It is a complete and exclusive statement of the terms of said warranty. No course of prior dealings between Richards-Wilcox and Purchaser, and no usage of trade shall be relevant to supplement or explain any term used in this warranty.

This warranty is in lieu of all other warranties, express or implied.

All colors are supplied in Richards-Wilcox exclusive Gloss-Tek powder coat finish. Always refer to the paint number when ordering.

LETTER-SIZE

LEGAL/EDP/A4-SIZE

By knowing how many louvers are necessary to accommodate certain filing applications, the inside of Times-2 Speed Files becomes easy to plan. The two following charts show available size openings and the number of louvers in each height unit.

TABLE #1

Louvers inside the Times-2 Speed Files are spaced every 1¾". The shelf takes up some of that space, so the "clear" openings as marked below are somewhat smaller. For speed and convenience, a Vertical Planning Sheet is designed to lay out both stock and custom arrangements within your Times-2 Speed Files.*

The number of louvers and useable space needed for each size opening are:

Louver	Useable Space	Application
1 Louver	= 1¾"	Reference Shelf
2 Louvers	= 3"	Flat forms
3 Louvers	= 4¾"	Microfilm/fiche/trays
4 Louvers	= 6½"	CD-ROM Drawer
5 Louvers	= 8¼"	Reduced documents
6 Louvers	= 10"	Standard file folder/hanging folders/security drawer
7 Louvers	= 11¾"	3-ring binders/tape seals/expanded hanging folders
8 Louvers	= 13½"	EDP printouts/oblique folders/computer printouts
9 Louvers	= 15¼"	Ledger binders
10 Louvers	= 17"	Jumbo sized documents

TABLE #2

Each height Times-2 has a defined number of useable louvers:

- 3-Tier (letter or legal) 20 louvers
- 4-Tier (letter or legal) 25 louvers
- 5-Tier (letter or legal) 31 louvers
- 6-Tier (letter or legal) 37 louvers
- 7-Tier (letter or legal) 43 louvers
- 8-Tier (letter or legal) 49 louvers

NOTE: Your Times-2 Speed File allows an extra louver for a Reference Shelf. If you design to include the reference shelf, allow seven louvers in the third tier for best spacing and reference shelf height. Continue measuring to top of cabinet.

NOTE: If you omit the Reference Shelf, you should have an 11¾" opening in the top tier.

NOTE: In rollout drawers applications two louvers are required.

Times-2 Plus Sizes (Letter or Legal)	Total Louvers	Total Height
5-Tier Adds 3 Extra Louvers	34	66⅞"
6-Tier Adds 3 Extra Louvers	40	76⅝"
7-Tier Adds 4 Extra Louvers	47	89"

Once you know both the number of louvers required for a specific size opening and the number of louvers available in the unit you've selected, then the math is simple.

Using Table #1 and Table #2 above, you can mix and match easily! **It all adds up.**

**Vertical Planning sheets are available to help you design the interior of the Times-2 Speed File cabinets. Contact your customer service representative.*

Architects, structural engineers and building officials will sometimes require you to supply the weight of a fully loaded Times-2 Speed File. The following charts supply you with that number. The crucial question is: How did we arrive at those numbers? In some states that number is established by code based on the volume of assumed openings (i.e. California, Title 24). For weight information, we have turned to BSA, Business Systems Association (formerly BSSMA). It is important to note your source of the material weights. The source should be independent of the parties concerned and preferably a nationwide trade association. Clearly BSA meets that criteria. Times-2 weighs more than lateral files, but generally speaking not more than two lateral files. The exceptions are 7- and 8-tier Legal/EDP/A4 size units.

The charts below show the capacity of each model Times-2 Speed File and the comparison to four drawer lateral and vertical files. The chart doesn't tell the full story. A conventional drawer file will store a maximum of 35 LFI per square foot of floor space. Times-2 will house up to 72 LFI per square foot. The capacity gain, when combined with the floor space savings and the greater access improvements, means productivity increases as well as cost savings.
